EXCEPTIONAL...

Rich in a tradition of shopping firsts, Northland Center is one Michigan's treasures, and a destination for a myriad of shoppers daily.

Renovated in 1992, Northland Center's extensive use of glass, marble, recessed lighting fixtures, ornate vaulted ceilings, and decorative columns with marble bases, make for a highly attractive and inviting shopping environment. A well-designed food court presents many enticing choices for shoppers, and adds to the overall amenities available at the mall. Historical and valuable art and sculptures are displayed throughout Northland Center, including the trademark "Bear and Boy" by renowned artist Marshall Fredricks.

With a successful tenant mix, easy accessibility, and an inviting mall environment, Northland Center Mall is an exceptional place to shop in the Detroit area.
